

VISTA DEL MAR
A COMMUNITY OF SERVICES

Vista Del Mar Toy Drive

Vista Del Mar was founded in 1908 as the Jewish Orphan's Home of Southern California. They now deal with victims of abuse, neglect, abandonment, domestic violence and family dysfunction. They also provide a residential treatment home for children who are unable to live with their families.

Help make Hanukkah & the winter holidays a time of celebration for children served by Vista Del Mar.

Over the past ten-plus years, Temple Sinai of Glendale members have contributed toys and gifts to help these children celebrate the holidays with new unwrapped toys and games for the children they serve.

Our gift drive takes place during November, so please do your shopping early, and add something for the kids at Vista Del Mar.

For more information, see their web site at www.vistadelmar.org or email our coordinator Jan Freed freed358@gmail.com
